5:00 PM Doors and game booths open, refreshments served
 7:00 PM Refreshment service ends
 7:30 PM Games close, awards ceremony and prize distribution
 8:00 PM Doors close

Skip the line, register at: <http://mathfest2009.eventbrite.com>

Students

Come to MathFest to play carnival-like games, win prizes and have fun!

- Talk to your friends. Put together a small team or come with your family.
- Win prizes at the Estimation Station.
- Challenge your parents to logic puzzles.

Families

Support your children in mathematics!

- Applaud them as they win prizes for themselves and their school.
- Learn tips and tricks to involve your children in math.
- Keep younger siblings occupied during MathFest in the tot friendly area.

Teachers and Principals

Help your school become a winner at Math!

- Inspire your students by competing in unique challenges.
- Take home the **MathFest Trophy**; awarded to the school with the most Math Spirit, measured by the percentage of students and staff at MathFest.
